Spiritual Legacy Guide

THE LAZARUS PROJECT

Copyright © 2011

We are often urged to make arrangements for the material possessions we have accumulated in this life to be passed on to others. We appreciate and cherish objects and even the stories passed down to us. Through these, we connect with our past and we provide for future generations.

So what about matters of the spirit?

What is the spiritual heritage passed on to you?

What spiritual legacy would you like to leave?
