Dear Advisor,

Please allow my child \_\_\_\_\_ of the Spirit Youth Group to attend the trip to Yankee Stadium which will be held on Sunday, October 2, 2022. Transportation to and from the above destination will be by NYC MTA D Train and/or walking. I understand that my child will leave the church at 12 p.m. and return no later than 5 p.m. I also understand that my child must have a \$5.50 Metro Card. Additional funds may be given for snacks/souvenirs.

I understand that church authorities will take reasonable precautions against accident, personal injury and loss of, to damage to, property while going to, from and at the site of the trip, but they or the Archdiocese of New York, are not assuming any legal liability for any such occurrence except any liability based on their failure to take such reasonable precautions.
